INTRODUCTION

On the 109 rolls of this microfilm publication, M1821, are reproduced the compiled military service records of volunteer Union soldiers belonging to the 8th through the 13th infantry units, including the 11th (new) organized for service with the United States Colored Troops (USCT). The USCT included 7 numbered cavalry regiments; 13 numbered artillery regiments plus 1 independent battery; 144 numbered infantry regiments; Brigade Bands Nos. 1 & 2 (Corps d'Afrique and US Colored Troops); Powell's Regiment Colored Infantry; Southard's Company Colored Infantry; Quartermaster Detachment; Pioneer Corps, 1st Division, 16th Army Corps; Pioneer Corps, Cavalry Division, 16th Army Corps; Unassigned Company A Colored Infantry; and Unassigned USCT. There are also miscellaneous service cards arranged alphabetically by surname at the end of the unit records. The records reproduced are part of the Records of the Adjutant General's Office, 1780's-1917, Record Group (RG) 94.

Background

Since the time of the American Revolution, African Americans have volunteered to serve their country in time of war. The Civil War was no exception. Official sanction was the difficulty. In the fall of 1862 there were four Union regiments of African Americans raised in New Orleans, LA: the 1st, 2nd, and 3rd Louisiana Native Guard, and the 1st Louisiana Heavy Artillery (African Descent). The 1st South Carolina Infantry (African Descent) was not officially organized until January 1863; however, three companies of the regiment were on coastal expeditions as early as November 1862. The 1st Kansas Colored Infantry was not mustered into Federal service until January 1863, even though the regiment had already participated in the action at Island Mound, MO, on October 27, 1862. These early unofficial regiments received little Federal support, but they showed the strength of the African American soldier's desire to fight for freedom.

The first official authorization to employ African Americans in Federal service was the Second Confiscation and Militia Act of July 17, 1862 (12 Stat. 592). This act allowed President Abraham Lincoln "to employ as many persons of African descent as he may deem necessary and proper for the suppression of this rebellion, and for this purpose he may organize and use them in such manner as he may judge best for the public welfare." The use of African Americans met with varying reactions and treatment. In the trans-Mississippi West, they saw some combat, while in the Department of Tennessee and in the South they were frequently assigned fatigue work. In the East, they drew both combat and fatigue duty. The President did not authorize use of African Americans in combat, however, until issuance of the Emancipation Proclamation on January 1, 1863.

In late January 1863, Gov. John Andrew of Massachusetts received permission to raise a regiment of African American soldiers. Because the pace of organizing additional regiments was very slow, Secretary of War Edwin M. Stanton sent Gen. Lorenzo Thomas to the lower Mississippi Valley in March to recruit free and contraband African Americans. Thomas was given broad authority. He was to explain the administration's policy regarding African American soldiers and recruit volunteers to raise and command them. Stanton wanted all officers of such units to be white, but that policy was softened to allow African American surgeons and chaplains. By the end of the war, in addition to the chaplains and surgeons, there were 87 African American officers. Thomas's endeavor was very successful, and on May 22, 1863, the Bureau of Colored Troops was established to coordinate and organize regiments from all parts of the country. Created under War Department General Order No. 143, the bureau was responsible for handling "all matters relating to the organization of Colored Troops." The bureau was directly under the Adjutant General's Office, and its procedures and rules were specific and strict. All African American regiments were now to be designated United States Colored Troops (USCT). At this time there were some African American regiments with state names and a few regiments in the Department of the Gulf designated as Corps d'Afrique. The Corps d'Afrique units ultimately became numbered regiments in the USCT. The 54th and 55th Massachusetts Infantries (Colored), the 5th Massachusetts Cavalry (Colored), the 29th Connecticut Infantry (Colored), the 6th and 7th Louisiana Infantries (African Descent), the 3rd Tennessee Volunteer Infantry (African Descent), and the 1st South Carolina Volunteers (Colored) retained their numbers and state designations, but served under the Bureau of Colored Troops.

To facilitate recruiting in the states of Maryland, Missouri, Tennessee, and eventually Kentucky, the War Department issued General Order No. 329 on October 3, 1863. Section 6 of the order stated that if any citizen should offer his or her slave for enlistment into the military service, that person would, "if such slave be accepted, receive from the recruiting officer a certificate thereof, and become entitled to compensation for the service or labor of said slave, not exceeding the sum of three hundred dollars, upon filing a valid deed of manumission and of release, and making satisfactory proof of title." For this reason, some records of manumission are contained in the compiled service records reproduced in this publication.

The USCT fought in 39 major engagements and over 400 lesser ones. Sixteen African American soldiers received Medals of Honor. As it was in other units, the death toll from disease was very high in the USCT. Deaths from disease and battle totaled 37,000. The last regiment of the USCT was mustered out of Federal service in December 1867.

8th United States Colored Infantry

This regiment was organized from November to December 31, 1863, at Camp William Penn, PA. In February 1864 the regiment was ordered to Jacksonville, Florida, where it joined General Gilmore's ill-fated Florida expedition. The 8th USCT was engaged heavily at Olustee on February 20, 1864, and sustained heavy casualties. The regiment fought with great distinction despite never having fired its weapons before this battle. From February to August the regiment continued to serve in Florida on fatigue and fortification duty, as well as reconnaissance duty. In August the regiment was ordered to the trenches outside of Petersburg where it served until September 28. On September 29, 1864, the 8th USCT fought near Chaffin's Farm, Fort Gilmore, and in October, the Darby Town Road. Following these engagements, the regiment returned to the trenches around Petersburg until the city fell in April 1865. Following the fall of Petersburg, the 8th USCT was ordered to Texas, where they mustered out in December 1865.

9th United States Colored Infantry

This regiment was organized at Camp Stanton, Benedict, Maryland, from November 11 to December 31, 1863, for 3 years' service. In March of 1864 the regiment was ordered to Hilton Head, South Carolina, for fatigue duty and reconnaissance on John Island. The regiment joined the 3rd Division, 10th Army Corps, at Deep Bottom, Virginia, and was stationed in the trenches at Petersburg from July to September. On September 29 and 30, 1864, the 9th USCT fought at Fort Gilmore near Chaffin's Farm. In 2 days of fighting the regiment suffered 113 men and officers killed or wounded. The regiment was engaged in skirmishes at Darby Town Road on October 10 and at New Market Road on October 27. From November 1864 until April 1865 the regiment was posted in the trenches before Fort Harrison. The 9th USCT marched into Richmond on April 3, 1865, with, "Drums beating colors flying [and] men singing the John Brown Hymn-Gloria in Excelsis." In July the regiment was moved to Brownsville, Texas, where it remained until September 1866. The 9th was ordered to Louisiana in October and mustered out at New Orleans, November 26, 1866.

10th United States Colored Infantry

This regiment was formed between November and December 1863 at Camp Craney Island, Virginia, for 3 years' service. In May, the 10th USCT moved to Fort Powhatan aboard the famous steamer *Planter*. On May 24, 1864, the 10th USCT skirmished with Fitzhugh Lee's force at Wilson's Wharf. The regiment was posted to picket duty on the right of Federal lines before Petersburg in June 1864. From August 1864 to March 1865 the regiment provided guard duty at City Point, Virginia. On April 3, 1865, the 10th USCT marched into Richmond, Virginia. Beginning in July 1865, the regiment was stationed in Corpus Christie, Texas, where it remained until it mustered out in May 1866.

11th United States Colored Infantry (Old)

This regiment was organized from October 31 to December 31, 1863, at Fort Smith, Arkansas, from men recruited by Captain J. M. Steele (formerly of the 12th Kansas Volunteers). From January to July 1864 the regiment performed guard and escort duty out of Fort Smith. On August 24, 1864, a Rebel cavalry force consisting of 300-400 whites and Indians attacked the regiment, consisting of 260 men organized into companies "A" through "E." The regiment was able to repulse three cavalry charges before the enemy withdrew. On September 19, 1864, the 11th USCT skirmished against General Ganos's rebel forces. On January 24, 1865, the regiment attacked and routed Colonel Newton's rebel regiment at Bogg's Mills, Arkansas, capturing a large amount of horses and equipment. The 11th USCT (old) was stationed at Little Rock in February, at which time it was consolidated with the 112th USCT and the 113th USCT (old) to form the 113th USCT (new).

11th United States Colored Infantry (New)

This regiment was organized from June through August 1863, as the 1st Regiment Alabama Siege Artillery. During its years of active service, the regiment was reorganized several times. In January 1864, the regiment was stationed at Fort Pickering, Memphis, Tennessee, when it was consolidated into the 1st Tennessee Heavy Artillery (in accordance with Special Order 25). The regiment served on fatigue duty at Fort Pickering until early March, when it was reorganized, along with several Negro pioneer companies, into the 6th USCT Heavy Artillery. The regiment was ordered to Fort Pillow, Tennessee, where it was attacked on March 12, 1864, by the forces of Nathaniel Bedford Forrest. After the fort surrendered, over half the regiment was lost in the ensuing massacre by Forrest's forces. Following the Ft. Pillow massacre, the remains of the regiment returned to Ft. Pickering where it was reorganized as the 7th USCT Heavy Artillery. On January 23, 1865, the regiment was consolidated with several Negro pioneer companies and

designated as the 11th USCT (new). The 11th USCT served on picket and fatigue duty in Memphis until it was mustered out on January 12, 1866.

12th United States Colored Infantry

This regiment was organized at Elk Bridge and Nashville, Tennessee, in August 1863. On December 15 and 16, 1864, the regiment participated in the Battle of Nashville. The regiment participated in the pursuit of General John Bell Hood's army to Decatur, Alabama. Following this expedition, the 12th USCT guarded the Nashville and Northwestern Railroad against guerilla attacks until it mustered out in January 1866.

13th United States Colored Infantry

This regiment was organized at Camp Mussy, Tennessee, in November 1863. From December 1864 until December 1865, the 13th USCT was responsible for guarding a section of the Nashville and Northwestern Railroad. The regiment participated in the Battle of Nashville on December 15 and 16, 1864. On the second day, the 13th USCT participated in several attacks on rebel positions, including the assault on Overton Hill. In January 1865, the regiment joined the pursuit of the remnants of General John Bell Hood's army to Decatur, Alabama. The regiment was returned to picket duty along the Nashville and Northwestern railroad for the rest of the year until it mustered out on January 10, 1866.

Records Description

Compiled service records consist of a jacket-envelope for each soldier, labeled with his name, rank, unit, and card numbers. The compilation of service records of Union soldiers began in 1890 under the direction of Col. Fred C. Ainsworth, head of the Record and Pension Office of the Adjutant General's Office, Department of War. Information from muster rolls, regimental returns, descriptive books, and other records was copied verbatim onto cards. A separate card was prepared each time an individual name appeared on a document. These cards were numbered on the back, and these numbers were entered onto the outside jacket containing the cards. The carded information was verified by a separated operation of comparison; great care was taken to ensure that the cards were accurate.

A typical jacket contains card abstracts of entries found in original records relating to the soldier and original documents relating solely to that soldier. Examples of the latter include enlistment papers, substitute certificates, casualty sheets, death reports, prisoner-of-war memorandums, and correspondence. Unique to the records

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION
MICROFILM PUBLICATIONS

of the USCT are deeds of manumission, oaths of allegiance, proof of ownership, certificates of monetary award, and bills of sale. These items appear most frequently in units recruited in the border states of Kentucky, Missouri, and Maryland. These states remained in the Union but were slave states. Jackets and cards include a section labeled "bookmark," which was reserved for cross-references to other records relating to the individual or his unit. The service records are arranged by arm of service, thereunder numerically by regiment or independent battalion or company, and thereunder alphabetically by name of the soldier. Records for officers are interfiled alphabetically by name with the records of enlisted men. If an individual served in more than one unit, which was typical for USCT officers, there will be a separate service record for each unit in which he served.

The unjacketed miscellaneous cards were accumulated by the War Department with the expectation that they would be incorporated in individual compiled service records. The expectation was never fulfilled, however, because either insufficient or contradictory information made it impossible to associate the cards or papers with a particular soldier's service record.

Related Records

Among the records of the Adjutant General's Office in the National Archives are many of the original records that were abstracted or "carded" by the Record and Pension Office. These include the individual unit's muster rolls, returns, and descriptive books. Other series in RG 94 that contain information relating to volunteer Union soldiers who served with the USCT include carded records relating to Union staff officers, carded medical records of volunteer Union soldiers, unbound and bound regimental records, and "record of events" cards. The regimental records of the 54th Massachusetts Infantry (Colored) have been reproduced as Microfilm Publication M1659, *Records of the Fifty-fourth Massachusetts Infantry Regiment (Colored), 1863-1865*.

The "record of events" cards include information copied from the unit's muster rolls and returns. They show the stations of the field and staff and of the companies of the regiment at the time the muster roll or return was prepared and sometimes mention battles, skirmishes, or other activities in which the regiment participated. The cards have been reproduced as Microfilm Publication M594, *Compiled Records Showing Service of Military Units in Volunteer Union Organizations*.

Record Group 94 also includes a card index for the USCT, reproduced as Microfilm Publication M589, *Index to Compiled Military Service Records of Volunteer Union Soldiers Who Served with U.S. Colored Troops*, which may be used to locate the regiment of USCT personnel. An index card gives the name of the soldier and his

rank, as well as the unit in which he served; sometimes there is a cross-reference to his service in other units or organizations. The National Archives is continually producing microfilm publications of volunteer Union compiled military service records. A complete listing of finished publications can be found in the National Archives *Microfilm Resources for Research: A Comprehensive Catalog*, which is available online at www.nara.gov.

The Records of the Colored Troops Division, within RG 94, include division correspondence and records relating to recruiting, the appointment of officers, and the slave or free status of individuals as well as a compilation of historical extracts and official papers concerning the military service of African Americans from the colonial period through the Civil War entitled *The Negro in the Military Service of the United States 1639-1886*. This compilation is reproduced as Microfilm Publication M858. The Records of the Bounty and Claims Division, also in RG 94, include correspondence of the division and records relating to bounties and claims paid to loyal owners of slaves by the Slave Claims Commissions of Delaware, Kentucky, Maryland, Missouri, Tennessee, and West Virginia.

If a soldier applied for a pension, the pension application case file may be among the Records of the Veterans Administration (RG 15). Indexes to the pension applications have been reproduced as Microfilm Publication T288, *General Index to Pension Files, 1861-1934*, and T289, *Organizational Index to Pension Files of Veterans Who Served Between 1861 and 1900*.

If a soldier or officer was tried before a general court-martial or if an individual or his unit was the subject of a court of inquiry or military commission, transcripts of the proceedings may be among the Records of the Office of the Judge Advocate General (Army) (RG 153). The registers to the proceedings have been reproduced as Microfilm Publication M1105, *Registers of the Records of the Proceedings of the U.S. Army General Courts-Martial, 1809-1890*.

Other record groups having information pertaining to the USCT include Records of the Bureau of Refugees, Freedmen, and Abandoned Lands (RG 105); Records of the Provost Marshal General's Bureau (Civil War) (RG 110); Records of the Accounting Officers of the Department of the Treasury (RG 217); and Records of U.S. Army Continental Commands, 1821-1920 (RG 393).

Holdings of the National Archives relating to the Civil War are outlined in Kenneth W. Munden and Henry Putnam Beers, *Guide to Federal Archives Relating to the Civil War* (Washington, DC: National Archives, 1962) and Henry Putnam Beers, *Guide to the Archives of the Government of the Confederate States of America* (Washington, DC: National Archives, 1968), which were reprinted as *The Union* (1986) and *The Confederacy* (1986).

Robert Acety

9th Reg't of U. S. Colored Troops

VOLUNTEERS.

Died December 8, 1863

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Suttler and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

FINAL STATEMENT

Co B

Robert Awful

9th Reg't of *U.S. Troops*

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the words "drafted or substitute, as the case may be. If the Soldier is a VETERAN (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the instatments of Veteran or Recruit Bounty RECEIVED by the Soldier must be made on the back of each final statement.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Sir

I have the honor
herewith to tender my resignation from the service and
most respectfully request that the same may be ac-
-cepted by the proper authority.

I do this for two reasons—
one of a private & one of a military nature.

First—I
desire to return to the practice of the profession which
I abandoned at the breaking out of the War—

Second. The
fifth Captain of the Regiment has been promoted over
my head to be Major of the Regiment; he being, &
for several months having been at the time of his
promotion on the Staff of a general Officer thro' whose
recommendation & active influence the promotion
was obtained—altho' the 9th Reg^t was not at the
time in that General Officer's Division.

But neither this
nor any other reason would have been alleged by me as
ground for a resignation—while the enemy's main Army
was a field—and the issue doubtful.

Having faithfully
served my Country during the Rebellion now happily
ended,—and for the sake of that service endured
without complaint much pecuniary loss, injustice and
disappointment; I feel entitled to ask to be discharged

from what is (now) simply an extensive military establishment in which I cannot remain with my present grade, without injustice to myself & to those who have the highest natural claims upon me.

And should any great National Calamity again make it the duty of every citizen to take up arms, I will do so promptly while I have life and strength - whether circumstances call me to serve as an officer or private soldier.

I am Sir most Respectfully
Your Obedt. Servant

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1, 2, &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the “discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate.”

Par. 1250 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given to the hands of the soldier.

NOTES.

- The amount of any extra pay for which the soldier may be mustered, *ca.* *gr.* as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
- In the column headed "BOUNTY PAID," must be entered the whole amount *thence* paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
- In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him, must be precisely stated.
- Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
- If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- When a soldier is furnished with final statements, his descriptive list if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll, upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portions of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
- Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
- Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*; and under the heading "When Mustered in," will be given the date when the soldier was drafted, under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.*, (meaning 4th Enrollment District, State of Massachusetts.)
- A separate descriptive list should, as a general rule, be given for each man.
- Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of *this Unit. Pendragon's Recruits*

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, ex. gr. as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount hitherto paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully noted.
4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
5. A careful settlement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
6. Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled," Commencement of First Payment by Time, will be written the word *drafted*; and under the heading "When Mustered in" will be given the date when the soldier was drafted, under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of this *9th U.S.C.*

FINAL STATEMENT

OF

Private Franklin Barclay
 9th Reg't of U. S. C. I. troops

VOLUNTEERS.

Sept 17/64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

FINAL STATEMENT

OF

Priv. William Bond to C

9th Reg't of 20th 5

VOLUNTEERS.

Rec'd Aug 30 1866

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family, and not entered on the muster roll on which the discharge, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a *VETERAN* (or *RECRUIT*), the words as a *veteran*, (or *recruit*), as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran or Recruit Bounty RECEIVED* by the Soldier must be made on the back of each final statement.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail of account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

REMARKS.

NOTES.

- The amount of any extra pay for which the soldier may be mustered, as, for, as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
- In the column headed "BOUNTY PAID," must be entered the whole amount *hitherto* paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to such, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
- In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- A careful settlement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- Should the man have been engaged in any action, or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
- If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him, or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Dept.
- Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
- Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a substitute, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted;) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *1st D. Mass.* (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
- A separate descriptive list should, as a general rule, be given for each man.
- Descriptive lists must, in all cases, be signed by commissioned officers, not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of *this 4th Recruit of U.S.C.T. from Maryland for U.S.C.T.*

FINAL STATEMENT 2

OF

Sgt. Abram Barnes & Co.

9th Reg't of

1st U.S. Col.

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss of money, baggage, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and by the United States, will not be entered on the statement.

NOTE 6.—Amounts due the Soldier for Laundry must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., if enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a *veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran or Recruit Bounty RECEIVED* by the Soldier must be made on the back of each final statement.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

✓ **FINAL STATEMENT** ³

OF

Private John F. Barnes

Co. Reg't of U.S. 6. I.

VOLUNTEERS.

1st Ind Aug 16th 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*.) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit* Bounty RECEIVED by the Soldier must be made on the back of each final statement.

ADJUTANT GENERAL'S OFFICE

Duplicate with Secretary sent to Adj. Gen.

FINAL STATEMENT

OF

Mr. Samuel Barnes

9 Reg't of U. S. C. I.

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is drafted, or substitute, the space for time, &c., of enrolment, should contain the words "drafted or substitute," as the case may be. If the soldier is a "RECRUIT," (or RECRUIT,) the words as a veteran, (or RECRUIT,) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the installments of Pay or Recruit Bounty RECEIVED by the Soldier must be made on the back of each final statement.

was tried.

Thomas Bailey

Col.

HEADQUARTERS, Department of the South,
HILTON HEAD, S. C., Aug. 23, 1864.

GENERAL ORDERS, }
No. 123.

I. Proceedings of a General Court Martial, which convened at Hilton Head, S. C., pursuant to Special Order No. 243, from Headquarters, Department of the South, dated Hilton Head, S. C., June 16th, 1864, and of which Col. P. P. Brown, Jr., 157th N. Y. Vols., is President, was arraigned and tried.

Colonel *Thomas Bailey*, 9th U. S. Colored Troops.

CHARGE—"Neglect of Duty, to the prejudice of good order and military discipline."

Specification 1st—In this; that the said *Thomas Bailey*, Colonel of the 9th U. S. Colored Troops, being in command of said Regiment, and of the Transport "Edwin Lewis," and under orders to proceed up the Ashepoo River, to the mouth of Mosquito Creek, did, to the great danger of his command, utterly neglect and fail to put a competent Pilot at the helm, although he knew there was one on board of the "Edwin Lewis," or a vessel close by, and subject to his orders, but proceeded up the river with a pilot unacquainted with the channel. This at Ashepoo river, South Carolina, on the night of the 25th of May, 1864.

Specification 2d—In this; that the said *Thomas Bailey*, Colonel of the 9th U. S. Colored Troops, being in command of said Regiment, and of the Transport "Edwin Lewis," which had been sent him by Brig.-General Birney, commanding the Expedition, to convey the said regiment of troops under command of said Colonel *Bailey*, to the mouth of Mosquito Creek, on the Ashepoo River, did wholly neglect and fail to avail himself of the services of William C. Mandel, a competent pilot; although he was informed at that time by Acting Master C. M. Hancock, of said Transport, that Brig.-Gen. Birney had placed the said competent pilot on board the "Edwin Lewis," for the purpose of piloting said vessel up the Ashepoo. This at the Ashepoo River, S. C., on the 25th day of May, 1864.

Specification 3d—In this; that the said *Thomas Bailey*, Colonel of the 9th U. S. Colored Troops, being in command of said regiment, and of the transport "Edwin Lewis," and under orders to proceed to the landing at the mouth of Mosquito Creek, on the Ashepoo river, did wholly neglect and refuse to inform the Acting Master and the Pilot on said Transport, what landing they were to stop at, although the said Master, and the said Pilot, frequently expressed their desire to know; and did continue so to neglect and refuse until the said transport had gone up the river about eight miles above the said landing, and past the pickets of the enemy,

and under the guns of a rebel battery. This at the Ashepoo river, S. C., on the 25th day of May, 1864.

Specification 4th—In this; that the said *Thomas Bailey*, Colonel of the 9th U. S. Colored Troops, being in command of his regiment, and of the transport "Edwin Lewis," in the Ashepoo river, and under orders to stop at the mouth of Mosquito Creek, about 8 miles from St. Helena Sound, did negligently and carelessly proceed six or eight miles further up the Ashepoo river, and was there hailed by a rebel sentry standing near a fire on the bank, with, "What boat is that?" or words to that effect, and that the said *Bailey* answered, "The 'Edwin Lewis'"; that instead of turning back, the said *Bailey* passed with the transport and the troops on board, beyond the sentry and about one mile further into the lines of the enemy, although he distinctly heard the alarm given by the rebel sentry; which act of criminal thoughtlessness endangered his whole command, put the enemy on guard against the intended surprise, and contributed greatly to the loss of the steamer "Boston." This at the Ashepoo river, S. C., on or about the 25th of May, 1864.

To which Charge and Specifications the accused pleaded as follows :

To the 1st *Specification*, "Not Guilty."
To the 2d *Specification*, "Not Guilty."
To the 3d *Specification*, "Not Guilty."
To the 4th *Specification*, "Not Guilty."
To the CHARGE, "Not Guilty."

FINDING.

The Court, having maturely considered the evidence adduced, find the accused, Colonel *Thomas Bailey*, as follows :

Of the 1st *Specification*, "Not Guilty."
Of the 2d *Specification*, "Not Guilty."
Of the 3d *Specification*, "Not Guilty."
Of the 4th *Specification*, "Not Guilty."
Of the CHARGE, "Not Guilty."

And the Court do therefore acquit him, the said Colonel *Thomas Bailey*, 9th U. S. Colored Troops.

II. The proceedings and findings in the foregoing case of Colonel *Thomas Bailey*, 9th Regt. U. S. C. T., having been submitted to the Major-General Commanding, are hereby approved.

Colonel *Thomas Bailey*, 9th Regt. U. S. C. T., is accordingly released from arrest and restored to duty.

III. The Court Martial of which Col. P. P. BROWN, Jr., 157th

Regt. N. Y. Vols., is PRESIDENT, is hereby dissolved.

By COMMAND OF MAJOR-GENERAL J. G. FOSTER,

W. L. M. BURGER,

FINAL STATEMENT

OF

Mr. George Daynard
1st Reg't of U.S.C. Troops

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and then obtain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Landdress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit* Bounty RECEIVED by the Soldier must be made on the back of each final statement.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed "Inventory of the effects of —, late of company (—), regiment of —, who died at — the — day of —, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased. This should be done according to Forms 5 and 6, and one copy of each sent to the Adjutant General. No copy of the order convening the board is required, the approval of the commanding officer being sufficient.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5) accompanied by the Paymaster's receipt of the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed "Report of the proceeds of the effects of —, late of company (—), regiment of —, who died at — the — day of —, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General, and one retained by the officer.

NOTE 6.—Where a soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 7.—Form 1 will be forwarded in duplicate to the Adjutant General, through Regimental Headquarters, as soon as possible after the death of the soldier, accompanied by one copy of Forms 2 and 3, or 4, as the case may require. A duplicate of the inventory (Form 2) should be retained until the articles are finally disposed of.

NOTE 8.—The papers for each man should be made SEPARATELY for each man, and, when possible, fastened together. This is especially necessary, and must be done in all cases. The papers cannot be properly disposed of at the Adjutant General's Office unless this is done, and must be returned for correction.

NOTE 9.—Where there are no line officers, as for instance, a general hospital without a line officer to command the guard, the Council of Administration may be made up from other commissioned officers, in the same way as prescribed for line officers.

NOTE 10.—Where a soldier dies away from his company or regiment, and the officer having charge of him cannot furnish Final Statements by reason of not being able to obtain a Descriptive List, he should notify the regimental or company commander, (giving him full particulars as to history and description of the man, as far as possible,) whose duty it will then be, in such case, to furnish the necessary papers from the best data he can obtain.

Capt. H. L. M. Burger

Captain

I have the honor
to request that a leave of absence be granted
me for Thirty (30) days, to enable me to
visit my home in Troy, New York.

My Father and Step-mother are both very
ill, and wish me to come home.

My private business is in a very bad con-
dition, and makes my personal attention
necessary to prevent serious pecuniary loss.

I have never had a leave of absence
since my entry into the army in the sum-
mer of 1862.

I am just relieved from duty as Post.
Quartermaster at this Post, and would respect-
fully request that, if not inconsistent with
the exigencies of the service, I may be allowed

to go north immediately after closing my
present business.

I am, Captain,

Lieutenant

I have the honor to herewith tender my resignation as 1st Lieut. & Regt. Gr. M. in the 9th U. S. Colored Troops for the following reasons, viz,

1st My Father has lately suffered a severe stroke of paralysis, from which there is but little hope of his recovery.

2nd My Step-Mother has been a bedridden invalid during the last three and a half years.

As I am an only son, the support of my parents devolves on me, and I find that, even with the strictest economy, I am unable to furnish, from my pay, sufficient means to provide them with hardly the bare necessities of life and some of the comforts and luxuries their condition requires. Much as I regret leaving the service of my Country, I feel that my duty to my helpless parents requires me to do so. I therefore respectfully and earnestly beg that I may be granted an

honorable discharge.
